Get It Myself

D.R.A.M.

It's all happening, it's coming back and getting it
It's my time nowI had to tell myself to go and get it myself
I had to tell myself to go and get it myself
'Cause I got tired of waitin' on everyone else
I had to tell myself to go and get it myself
I had to tell myself to go and get it myself
(Big Baby)'Cause ain't nobody gonna do it better than you, you
'Cause ain't nobody gonna do it better for you
'Cause ain't nobody gonna do it better than you, for you
No one can do you better than youI had to tell myself to go and get it myself
(I had to tell myself to go and get it myself)
I had to tell myself to go and get it myself
(I had to tell myself to go and get it myself)
I got tired of waitin' on everyone else
(Just make sure you do)
I had to tell myself to go and get it myself
I had to tell myself to go and get it myself
