She Said

De Palmas

A man without religion
I like to play and dance with fire
Sometimes i take it all
Ande then i go and take some more
Don't mind a revolution
I need something to get me highter
And if it ends today
I won't regret the games i playShe said
There's got to be a better way
I said
I don't believe a word you say
She said... it's ok
Don't be a slave to rythmn
Or you may fall asleep for ever
I get a wake up call
Everytime i hit the wall
without hesitation
I dive into the frozen river
She wants to understandWhy she always loved this manShe said
There's got to be a better way
I said
I don't believe a word you say
She said... it's ok
Little darling
I love your face
Little darling
Don't you be afraid
Always running
Out of space
You know nothing
can take your placeShe said
There's got to be a better way
I said
I don't believe a word you say
She said... it's ok
