The Happy One

Eddie Coker

I am the happy one
Oh I
I am the shining sun
Big, bright, sappy, happy lots of fun
Oh I am, the happy one.

I am a bird
And my name is ray
I've flown to every single city in the USA
you say, "come one, how could you do that ray?"
By eating jumbo vitamin filled worms that assist me to fly 1,000 miles a day!
Yeah yeah!
I am the happy one
Oh I
I am the shining sun
Big, bright, sappy, having lots of fun
Oh I am, the happy one.

[interlude]

My name is Fred
I am a purple duck
And I drive a red beat up pick up truck
I go slow because my motor is bad
But I confess, I'm not sad no no no

[repeat 4x]
I am Fred the purple red truck driving duck

I am the happy one
Oh I
I am the shining sun
Big, bright, sappy, having lots of fun
Oh I am, the happy one.

[interlude]
I am sissy, I am a green aardvark
I have a twin named sally and we glow in the dark
We're double trouble sisters and we love that truck

That the lost the Fred purple gorgeous hunk of a duck

Yeah yeah yeah
I am the happy one
Oh I
I am the shining sun
Big, bright, sappy, happy lots of fun
Oh I am, the happy one.

Sing it with me!
I am the happy one
Oh I
I am the shining sun
Big, bright, sappy, happy lots of fun
Oh I am, the happy one.

And oh for the days where clouds roll by
And life is simply awful
I have a cure for you my friend
Sally, sissy, Fred the duck, and a bird named ray who will chase all your blues away

I am the happy one
Oh I
I am the shining sun
Big, bright, sappy, happy lots of fun
Oh I am, the happy one.

Sing it once more!

I am the happy one
Oh I
I am the shining sun
Big, bright, sappy, happy lots of fun
Oh I am,
I said I am I am I am I am I aaaaaaaaammmm
The happy one!!!!!!
