

# Everything I Knew

## Busted

Everything I knew just went out the window  
Know I can depend on you forever  
And I never thought I'd see my life walk away from me  
I thought we'd always be together  
Notice you didn't have to pay for every word I say  
And I wish I could change your decision  
And you know that I try, and tell you what it's like  
But you just wouldn't listen  
Let's go back, let's rewind to the days that remind me  
Of all the good times that we spent together  
And I don't know why we just let it all slide  
When we both knew inside we were right for each other  
I don't know what to do  
'Cause you're everything that I knew  
Everything's the same, it's like tomorrow never came  
We used to talk about whatever and the seasons  
Never change, we never used to act our age  
Every time we were together  
Notice you didn't have to pay for every word I say  
And I wish I could change your decision  
And you know that I try, and tell you what it's like  
  
But you just wouldn't listen  
Let's go back, let's rewind to the days that remind me  
Of all the good times that we spent together  
And I don't know why we just let it all slide  
When we both knew inside we were right for each other  
I don't know what to do  
'Cause you're everything that I knew  
How can you just walk out of my life  
Without even giving a reason?  
And how can you look so good  
The day I watched you leaving?  
Let's go back, let's rewind to the days that remind me  
Of all the good times that we spent together  
And I don't know why we just let it all slide  
When we both knew inside we were right for each other  
Let's go back, let's rewind to the days that remind me  
Of all the good times that we spent together

And I don't know why we just let it all slide  
When we both knew inside we were right for each other
