

She Talks To Angels (acoustic)

The Black Crowes

She never mentions the word addiction
In certain company
Yes, she'll tell you she's an orphan
After you meet her family

She paints her eyes as black as night, now
Pulls those shades down tight
Yeah, she gives a smile when the pain comes,
The pain's gonna make everything alright

Says she talks to angels,
They call her out by her name
She talks to angels,
Says they call her out by her name

She keeps a lock of hair in her pocket
She wears a cross around her neck
Yes, the hair is from a little boy
And the cross is someone she has not met, not yet

Says she talks to angels,
Says they all know her name
Oh yeah, she talks to angels,
Says they call her out by her name

She don't know no lover,
None that I ever seen
Yes, to her that ain't nothing
But to me, yeah me,
It's everything

She paints her eyes as black as night now
She pulls those shades down tight
Oh yeah, there's a smile when the pain comes,
The pain's gonna make everything alright, alright yeah

She talks to angels,
Says they call her out by her name
Oh yeah, yeah, angels
Call her out by her name

Oh, angels
They call her out by her name
Oh, she talks to angels
They call her out
Yeah, they call her out
Don't you know that they call her out by her name
