

Hard Not To Love You

Jake Owen

I've always been the kind of man to jump the gun, and cut and run.
Stayin' one step ahead of that ol' ball and chain.
Settlin' down never crossed my mind. It was easier to leave the knot untied.
It looks like a lot of things have changed.[Chorus]
You're making it hard not to love you
Making it tough on a man like me
Who's always found a way to get around this kind of thing
'Cause when you put your lovin' on me
I can't help feelin' like I do
Girl, you're making it hard not to love you This morning when you kissed my cheek
I was suffering from a lack of sleep
'Cause we stayed up making love half the night
Well I must have got my second wind
'Cause just like that it was on again
Nothing's ever been easier for me in all my life (Girl)[Chorus]
