Epi Pen Pals

Dryjacket

Basic cost approach in appraisal using Marshall and Swift
Real estate's finest
Tracking metes and bounds
Surveyor marked down
Four hundred dollars laterNo haven on every weekend
Hum
They siphon blood
Was too much not enough
Quit making this more difficult than it has been and always will be
In the waiting room
Scanning walls until my name gets called
Waste of a co-pay
Out of square and plumb
Day's worth of work undone
Five hour ER wait time
Great
The histamines are rapidly spreading
A swift syringe of epinephrine
This searching turns into a recovery
Effort which was preferred anyway
