

# Is it over yet

Wynonna Judd

Tell me when I can open my eyes  
I don't want to watch you walk out that door  
There's no easy way to get through goodbye  
I'd probably try and talk you into staying once more  
Or I'd lie and say it's all for the best  
Wish you luck and say I have no regrets  
But I'm not up to being strong  
So I'll wait until you're gone  
Is it over yet, is it over yet?  
A taxi's waiting in the driveway for you  
You call my name, I guess your ready to leave  
I'd like to help you with a suitcase or two  
But I'm afraid I'm gonna wind up down on my knees  
I should tell you that I want you to go  
I really need to spend some time on my own  
Smile and say goodbye  
So you don't see me dying inside  
Is it over yet, is it over yet?
