

# You Deserve

## August Alsina

This is for the girl down the hall  
Misused and abused  
Yeah, yeah yeah  
Pick ya head up love, smile  
This is for you Girl I know sometimes that I mistreat you, and you still come back  
And I see your homegirls try to reach you, but you ain't hearing none of that  
They try to get through, they say I ain't the move  
I don't know, cause girl it might be true  
When they tell you, you should walk away but you stay anyway Girl I think it's best for me to say this, I ain't no  
good  
And your heart ain't something I should play with  
So let's get it understood  
I ain't trying to ruin your life  
If anything I just want to make it right  
And tell the judge I ain't even gotta plead my case  
I can tell my baby to her face I was just your nigga next door  
But girl I see more for you, (I see more for you)  
And you ain't gotta have no fear, no I'll always be here for you, girl I'm here for you  
And I know you may not end up with me  
'Cause I'm still playing outchea in these streets  
But I'm just saying  
You deserve better, I'm saying, you deserve better I know that love can be blind  
But you should open your eyes (open your eyes)  
Take a look in the mirror  
Baby girl you a prize  
And any man that don't see that you should let his ass go, believe that  
Because his love ain't real  
What he won't do another nigga will Girl I think it's best for me to say this, I ain't no good  
And your heart ain't something I should play with  
So let's get it understood  
I ain't trying to ruin your life  
If anything I just want to make it right  
And tell the judge I ain't even gotta plead my case  
I can tell my baby to her face See I was just your nigga next door  
But girl I see more for you, (I see more for you)  
And you ain't gotta have no fear, no I'll always be here for you, girl I'm here for you  
And I know you may not end up with me,  
'Cause I'm still playing outchea in these streets  
But I'm just saying

You deserve better, I'm saying, you deserve better  
You deserve all the love, (you deserve all the love)  
You deserve all the care, (you deserve all the care)  
You deserve all that and more, (you deserve all that and more)  
You deserve better, you deserve better  
You deserve to laugh, (you deserve to laugh)  
Baby you deserve to smile, (baby you deserve to smile)  
You deserve the best of everything  
You deserve better  
See I was just your nigga next door  
But girl I see more for you, (girl I see more)  
And you ain't gotta have no fear, no I'll always be here for you, girl I'm here for you  
And I know you may not end up with me,  
'Cause I'm still playing outchea in these streets  
But I'm just saying  
You deserve better, I'm saying, you deserve better  
Yeah, yeah yeah  
You deserve better  
Smile  
You deserve better
