Hung Up

Five Star

Maybe I'm right, ooh, ooh, ooh, ooh
Maybe you're too young to decide
Maybe you're blind
She just wants to use youMaybe Im right
Maybe youre too young to decide
On who youre hung up on
Maybe youre blind, yeah
She just wants to use you
To let her decide
On who youre hung up onMaybe one day, youll see the light
What will it take, for you to realise
Think to have one will satisfy
Who will be that special one in your lifeI wanna be there, when you need me
When things dont go right
I wanna find you, when youre lost
And love is alright (its alright)
I wanna guide you
To a place where youre think of
But I refuse to be your second hand loveMaybe Im right, yeah
Maybe youre too young to decide
On who youre hung up on
Maybe youre blind
She just wants to use you
To let her decide
On who youre hung up onNever miss love, until its gone
To find that thing in another mans arms
Dont walk away, unless youre sure
That you made (that you made the right choice)
The right choice, yeahI wanna be there, when you need me
When things dont go right
I wanna find you, when youre lost
And love is alright (its alright)
I wanna guide you
To a place where youre think of
But I refuse to be your second hand love, oh oh ohMaybe Im right
Maybe youre too young, yeah, to decide
Ooh, ooh
On who youre hung up on
Maybe youre blind

(she just wants to use you, baby)
She just wants to use you
To let her decide
On who youre hung up onNot looking for another man (no, no)
To start again would be different, baby
Dont say goodbye (dont say goodbye)
And make me cry, oh oh
I just cant live without you in my life
(baby you know, baby Im right)Maybe Im right
Maybe youre too young, ooh ooh, to decide
On who youre hung up on
Maybe youre blind
(dont you know she just wants use you)
She just wants to use you
To let her decide
On who youre hung up on(gotta decide, gotta decide)
Maybe Im right
(do you want me)
Maybe youre too young, yeah, to decide
(do you want it)
On who youre hung up on
Maybe youre blind
(do you want me)
She just wants to use you
(gotta let me know, baby)
To let her decide
On who youre hung up onMaybe Im right
Maybe youre too young to decide
On who youre hung up on (hung up, hung up)
Maybe youre blind
She just wants to use you
To let her decide
