

# Dont Fake this

## Chevelle

Ignoring a loss of sight  
Afraid to blink  
I might lose the sunBut don't make this out to be more  
Than it isn't behind every lie  
An' there's a burden withinYes, you're my sonThis suffering  
That's kept within  
Disposable men  
LostInside he was negative  
This place once more  
Was undergroundSo look and connect  
We're refusing to rust  
Healing has to begin in the pastSo don't fake this  
Don't fake this  
Don't fake this  
Don'tThis suffering  
That's kept within  
Disposable men  
LostDon't fake this  
Don't fake this  
Don't fake this  
Don'tFake  
Fake  
FakeThis suffering  
That's kept within  
Disposable men  
LostSo don't fake this  
Don't fake this  
Don't fake this  
Don'tFake  
Fake  
Fake
