# Simple Songs

## QUARTERBACKS

i believe in pop music
the way i wish i believed in god
completely
and without question
i wish there was
something higher
that i could subscribe to
to give my life
some direction
cuz i don't have
a life plan
i just have
this little band
simple songs
with simple chords
but simple songs
won't save your soulthe only thing
that speaks to me
are catchy melodies
the same chords
all the time
e c g
the only damn thing
that speaks to me
cuz i don't have
a life plan
i just have
this little band
simple songs
with simple chords
but simple songs
won't save your soul
