

Jet

Paul McCartney

(Jet, Jet)

(Jet) I can almost remember their funny faces

That time you told them you were going to marry soon

And Jet I thought the only lonely place was on the moon (Jet, Jet) Jet was your father as bold as the sergeant
major

How come he told you that you were hardly old enough yet

And Jet I thought the major was a lady suffragette (Jet, Jet) Ah mater want Jet to always love me

Ah mater want Jet to always love me

Ah mater, much later (Jet) And Jet I thought the major was a lady suffragette

(Jet, Jet) Ah mater want Jet to always love me

Ah mater want Jet to always love me

Ah mater, much later Jet with the wind in your hair

Of a thousand laces

Climb on the back and we'll go for a ride in the sky

And Jet I thought that the major was a little lady suffragette (Jet, Jet)

And Jet you know I thought you was a little lady suffragette

(Jet)

A little lady

My little lady, yes
