[Matt Cardle](#)

Hearts are racing at the speed of light  
Eyes are opening and rolling right  
Sinking feeling it's almost like  
It wouldn't matter if we died tonight We are beautiful  
Breakable

We're gonna lose it all to the light 'Cause in time, we all burn as one, in the sun, in the sky  
Like a shooting star, it's just who we are Pushin', pushin', pullin', movin' on  
A sense of freedom we've been hanging on  
I've cut the chord and now it won't be long  
Before we find out where it's coming from We are beautiful  
Breakable

We're gonna lose it all to the light 'Cause in time, we all burn as one, in the sun, in the sky  
Like a shooting star, it's just who we are We are beautiful  
Breakable

We're gonna lose it all to the light 'Cause in time, we all burn as one, in the sun, in the sky  
Like a shooting star, it's just who we are
