STAIRS

å¤§æ©‹å¥½è¦•

In a room above a busy street
The echoes of a life
The fragments and the accidents
Separated by incidents

Listen to by the walls
We share the same spaces
Repeated in the corridors
Performing the same movements

[Chorus: x2]
Story to story
Building to building
Street to street
We pass each other on the stairs

Listen to by the walls
We share the same spaces
Repeated in the corridors
Performing the same movements

The nature of your tragedy
Is chained around your neck
Do you lead or are you lead
Are you sure that you don't care

There are reasons here to give your life
And follow in your way
The passion lives to keep your faith
Though all are different, all are great

Climbing as we fall
We dare to hold on to our fate
And steal away our destiny
To catch ourselves
With quiet grace

[Chorus]

Listen to by the walls

We share the same spaces
Repeated in the corridors
Performing the same movements

[Chorus]
