

Hurt Don't Know When To Quit

[Rissi Palmer](#)

I knew when to pack it in, admit its over
And I knew when to stop callin him at all
And I knew when to stop cryin on my mamas shoulders
And when to spend away my blues on new shoes at the mall Oh, I did my part
Held up my end of the bargain
I stopped all my whinin
Stopped throwin fits and Well, Im losin my patience
And Im so tired of waitin
'Cause hurt dont know when to quit Its got a mind of its own, yeah, it wont listen
No matter if I'm begging, plead or if I scream and shout
There's sometimes I think it's all some cruel haunted mission
So lock me up inside these tears and never let me out Oh, I did my part
Held up my end of the bargain
I stopped all my whinin
Stopped throwin fits and Well, Im losin my patience
And Im so tired of waitin
'Cause hurt dont know when to quit No, it dont
No, it dont, no Oh, I did my part
Held up my end of the bargain
Stopped all my whinin
Stopped throwin fits, oh Well, Im losin my patience
And Im so tired of waitin
'Cause hurt dont know when to quit Oh yeah, stopped all my whinin
Stopped throwin fits, oh
Well, Im losin my patience
And Im so tired of waitin
'Cause hurt dont know when to quit
