Prince

Don't sleep, 'til sunrise, listen to the falling rain
Don't worry, 'bout tomorrow, don't worry 'bout your pain
Don't cry, unless you're happy, don't smile unless you're blue
Never let that lonely monster take control of you Be glad that you are free, free to change your mind
Free to go 'most anywhere, anytime
Glad that you are free, there's many a man who's not
Be glad for what you had baby, what you've got
Be glad for what you've got I know my heart is beating, my drummer tells me so
If you take your life for granted, your beating heart will go
So don't sleep until you're guilty, 'cause sinners all are we
There's others doing far worse than us, so be glad that you are free Be glad that you are free, free to change your
mind
Free to go 'most anywhere, anytime
Be glad that you are free there's many a man who's not
Be glad for what you had baby, what you've got
Be glad for what you've got Soldiers are a marching, writing brand new laws
Will we all fight together, for the most important cause
Will we all fight, for the right to be free Be glad that you are free, free to change your mind
Free to go 'most anywhere, anytime
Be glad that you are free there's many a man who's not
Be glad for what you had baby, what you've got
Be glad for what you've got Be glad that you are free, free to change your mind
Free to go 'most anywhere, anytime
Be glad that you are free there's many a man who's not
Be glad for what you had baby, what you've got
