

Leaves

Phil King

In winter, I fall at your feet
In summer, I blow where we meet
 And you, oh you
 You hold me up
 Till like a leaf we fall
 Onto the ground
 It's time for seasons to go
 A reason, a reason to know
 And you, oh you
 You hold me up
 Till like a leaf we fall
 Onto the ground
 In winter, I fall at your feet
 In summer, I blow where we meet
 And you, oh you
 You hold me up
 Till like a leaf we fall
 Onto the ground
 And you, oh you
 You hold me up
 Till like a leaf we fall
 Onto the ground
 Onto the ground
 Onto the ground
 Till like a leaf we fall
 Onto the ground
