Same Ol' Blues

Shiraz Lane

My love
My tears keep falling
The sound of sadness left burning inside
I'm in a bad place, but I'll be alright
Someday
My love
I know you're hurting
The truth is hidden deep in your eyes
You're in a bad place, but you'll be allright
One day
Breakin' down
Breakin' down
It's just the same ol' song
Same ol' blues
Same ol' yearning
The grief we choose
And I'm breakin' down
My love
My fears keep growing
Another lonely night
No peace of mind
We had a rough ride
Now I've got to go
Farewell
Breakin' down
Breakin' down
It's just the same ol' song
Same ol' blues
Same ol' yearning
The grief we choose
And I'm breakin' down
Hiding tears in the pouring rain
Had our share of hurt and pain
Playing house in the ruins of us
Now we both are breakin' down
(Solo)
Breakin' down
Breakin' down
It's just same ol' song

Same ol' blues
Same ol' yearning
The grief we choose
And I'm breakin' down
Breakin' down
Down
Same ol' song
Same ol' blues
Same ol' yearning
Same ol' yearning
Breakin' down
Same ol' song
Same ol' blues
Same ol'
Same ol'
