

# One Day at a Time

[Willie Nelson](#)

I live one day at a time I dream one dream at a time  
Yesterday's dead and tomorrow is blind and I live one day at a time I guess that's your surprise to see me back at  
home  
But you know how much I miss you when I'm gone?  
But don't ask how long I planned to stay? It never it crossed my mind  
'Cause I live one day at a time See that sparrow fly across the cloudy sky  
Searchin' for a hatch of sunlight so am I  
I wish I didn't have to follow and perhaps I want in time  
But I live one day at a time I live one day at a time I dream one dream at a time  
Yesterday's dead and tomorrow is blind and I live one day at a time  
And I live one day at a time
