

Cause and Effect

Cop Shoot Cop

My old man
He said to me
 He said
 Son
 There are those
 That get bought
 And those
 That do the buying
 Well enough
 We never did
 See eye to eye
 And I always wished
 That good ol' boy
 Could cound past two
 Love it or leave it
 Black or white
 That's the way it is
 Fundamental
 Absolute
 I wish I
 Could be as clever
 Never did
 Buy that bill of goods
