

Billy 1

Bob Dylan

There's guns across the river aimin' at ya
Lawman on your trail, he'd like to catch ya
Bounty hunters, too, they'd like to get ya
Billy, they don't like you to be so free
Campin' out all night on the Berenda
Dealin' cards 'til dawn in the Hacienda
Up to boot hill they'd like to send ya
Billy, don't you turn your back on me
Playin' around with some sweet Senorita
Into her dark hallway she will lead ya
In the shadows of the [Incomprehensible] she will greet ya
Billy, you're so far away from home
