

Hypnotized

Rihanna

Mmm, mmm, ohh, no, oh, no
Something 'bout the way that you working me
Teasing me, pleasing me easily, boy
I'm addicted to you
Gotta have it for all the things that you do
I, something 'bout this feeling is crazy
Amazing, mistakes all night and day
Makes my temperature rise
Boy your love has got me so hypnotized
I'm feeling something that I can't understand
It's like I'm captured by the touch of your hand
Its survive, it's your style, it's the way that you smile
Get a little rush when I hear your name
It's so magnetic when you're here next to me
Hold me closer, happens so naturally
We connect, it's electric, this feeling inside
Didn't know that even if I tried
Something 'bout the way that you working me
Teasing me, pleasing me easily, boy
I'm addicted to you
Gotta have it for all the things that you do
I, something 'bout this feeling is crazy
Amazing, mistakes all night and day
Makes my temperature rise
Boy, your love has got me so hypnotized
(No)
You got me spinning like a marry-go-round
Feels like I'm flying but I ain't left the ground
Falling fast, I'm afraid, can't escape there's no way
Never had a feeling like this before
Something 'bout the way that you working me
Teasing me, pleasing me easily, boy
I'm addicted to you
(I'm addicted to you, baby)
Gotta have it for all the things that you do
(Gotta have it, babe)
I, something 'bout this feeling is crazy
(Crazy)
Amazing

(Amazing, ohh)
Mistakes all night and day, makes my temperature rise
Boy your love has got me so hypnotized
(Hypnotized)
It's amazing how you drive me crazy
Boy, keep doing watcha doing
'Cause you're really getting through to me, I
Day and night, babe, you know, I can't fight it
Just one look into my eyes
And you know you got me hypnotized
(Ohh)
Something 'bout the way that you working me
Teasing me, pleasing me easily, boy
I'm addicted to you
Gotta have it for all the things that you do
I, something 'bout this feeling is crazy
Amazing, mistakes all night and day
Makes my temperature rise
Boy your love has got me so hypnotized
