

# A Stranger In My Place

Kenny Rogers

I see the town where we were born  
I see the place we were raised  
I see all the things you wanted  
That I never gave I see sadness, I see sorrow  
I see pain in your face  
But I just can't see  
A stranger in my place I can see now where we quarreled  
I can see now I was wrong  
I can see where you might weaken  
When I wasn't strong I see memories of a love gone bad  
That time cannot erase  
But I just can't see  
A stranger in my place No one seems to know you quite like I do  
No one knows the things that make you cry  
Looking back, it seems I never showed you  
And now I lay alone and wonder why I can see now where you might grow tired  
Of dreams that don't come true  
I can see where I have fallen short  
Of the things I promised you I can see now through my tear filled eyes  
No love on your face  
I must get used to seein'  
Strangers in my place
