Portland

Nerf Herder

Go back to Portland,
Go back to school,
Go back to the 90's,
When shit was cool,
Go back to metal, go back to punk,
Go back to fucking,
And fuckin up,Ohh let's slam the crust punk, cause he grabbed your bag of doughnuts,
On the corner of southwest, 13th avenue
Nobody gives a fuck,
about your stupid food truck at all
Out on the streets,
of Portland!(and there's more!)
(alright)Stop leaving parties,
Stop going home,
Stop jerking off with,
your iPhone,
Stop eating kale,
on your sub,
Stop drinking coffee,
in a strip clubOhh let's slam the crust punk, over a bag of doughnuts,
On the corner of southwest, 13th avenue
Nobody gives a damn,
about your stupid folk rock band at all
Out on the streets,
of Portland!Portland x15Bus ride, (Portland!)
Burnside, (Portland!)
Get drunk, (Portland!)
Crust punk, (Portland!)
Book store, (Portland!)
Doughnut, (Portland!)
And that's everything I know about PortlandI gave the crust punk, a nice big
bag of doughnuts,
On the corner of southwest, 13th avenue
No one gives a doggy doo,
about your stupid home brew at all
Out on the streets,
The filthy streets,
The crust punk streets,
The food truck streets,

Out on the streets,
of Portland!Portland, Portland, Portland
