Nobody on the road
Nobody on the beach
I feel it in the air
The summer's out of reach
Empty lake, empty streets
The sun goes down alone
I'm drivin' by your house
Though I know you're not at home
But I can see you
Your brown skin shinin' in the sun
You got your hair combed back and your sunglasses on, baby
And I can tell you my love for you will still be strong
After the boys of summer have gone
I never will forget those nights
I wonder if it was a dream
Remember how you made me crazy?
Remember how I made you scream
Now I don't understand what happened to our love
But babe, I'm gonna get you back

I'm gonna show you what I'm made of
I can see you
Your brown skin shinin' in the sun
I see you walkin' real slow and you're smilin' at everyone
I can tell you my love for you will still be strong
After the boys of summer have gone
Out on the road today, I saw a deadhead sticker on a cadillac
A little voice inside my head said, "don't look back. you can never look back."
I thought I knew what love was - what did I know?
Those days are gone forever
I should just let them go but-
I can see you
Your brown skin shinin' in the sun
You got that top pulled down and that radio on, baby
And I can tell you my love for you will still be strong

After the boys of summer have gone
I can see you
Your brown skin shinin' in the sun
You got that hair slicked back and those wayfarers on, baby
I can tell you my love for you will still be strong
After the boys of summer have gone
