## Custom Kings

Words & music: don henley

\*\* chantal would occasionally play a piano version of this song (a top 5 hit for don henley in 1984) during her early performances, promoting under these rocks & stones. these are the official lyrics to the song, and not accurate to the way chantal plays it. \*\*

Nobody on the road  
Nobody on the beach  
I feel it in the air  
The summer's out of reach  
Empty lake, empty streets  
The sun goes down alone  
I'm drivin' by your house  
Though I know you're not at home  
But I can see you  
Your brown skin shinin' in the sun  
You got your hair combed back and your sunglasses on, baby  
And I can tell you my love for you will still be strong  
After the boys of summer have gone  
I never will forget those nights  
I wonder if it was a dream  
Remember how you made me crazy?  
Remember how I made you scream  
Now I don't understand what happened to our love  
But babe, I'm gonna get you back

I'm gonna show you what I'm made of  
I can see you  
Your brown skin shinin' in the sun  
I see you walkin' real slow and you're smilin' at everyone  
I can tell you my love for you will still be strong  
After the boys of summer have gone  
Out on the road today, I saw a deadhead sticker on a cadillac  
A little voice inside my head said, "don't look back. you can never look back."  
I thought I knew what love was - what did I know?  
Those days are gone forever  
I should just let them go but-  
I can see you  
Your brown skin shinin' in the sun  
You got that top pulled down and that radio on, baby  
And I can tell you my love for you will still be strong

After the boys of summer have gone  
I can see you  
Your brown skin shinin' in the sun  
You got that hair slicked back and those wayfarers on, baby  
I can tell you my love for you will still be strong  
After the boys of summer have gone
