

# Stay

## Dokken

(dokken, brown)

Girl, when I think of you, you know it makes me sad

And I wonder, wonder about what we had

Say we're over baby t

That we're through

Can't believe it say that it's not true

Please believe me when I say I do

I'm still loving you, loving you

Loving you

Chorus:

Won't you stay

Can't you see my love is waiting here

Darling, stay

Don't you leave me drowning in my tears

Do ya love me baby let me know

Show your feelings

'cause I gotta know

Am I wasting my time, am I being a fool

For loving you, loving you

Every night your name is on my lips

I feel your body at my fingertips

Please beleive me when I say I do

Am I a fool?

Chorus

Bridge

Won't you touch me and stay for awhile

I need you so badly

Darling...

Won't you stay
