

Wonder Woman

The Bombsters

All the world is ready for you
And the power you possess
In your satin tights, fighting for your rights
And the old red white and blue Wonder woman
Wonder woman Now the world is ready for you
And the wonders you can do
Make a hawk a dove, stop a war with love
Make a liar tell the truth Wonder woman
Get us out from under
Wonder woman Here to fight the force of evil
And your chance won't be denied
Woman of the hour with your super power
We're so glad you're on our side Wonder woman
Wonder woman
You're a wonder
Wonder woman Putting all your might
On the side of right
And our courage to defend Wonder woman
Wonder woman All our hopes are pinned on you
And the magic that you do
Stop a bullet cold, make the axis fold
Change their minds and change the world Wonder woman
Wonder woman
You're a wonder woman
