Fearless Heart

Steve Earle & The Dukes

Don't you worry bout what you've been told
Cause honey I ain't even close to cold
It's kinda soon to fall in love again
But sometimes the best that you can do is just jump back in
I got me a fearless heart
Strong enough to get you through the scary part
It's been broken many times before
A fearless heart just comes back for moreFolks'll tell you that I'm just no good
But I wouldn't hurt you honey if I could
I can't promise this'll work out right
But it would kill me darlin' if we didn't even try
I admit I fall in love a lot
But I nearly always give it my best shot
I know you must think I'm the reckless kind
But I want a lady with a fearless heart just like mine
