Gotta Get Back

Shelby Lynne

I can almost touch you now
Flying above the clouds in a big ol' plane
I can't wait to hold you and see you again
Tell you where I've beenI can almost kiss you now
When I close my eyes I feel your lips on mine
It's so hard to fight
What I feel inside, for youI gotta get back, do I do
I gotta get back, do, do I do
I gotta get back, do I do
Butterflies take control me
Why's this airplane go so slowly
Flutter faster take me home to youI can almost see you now
Is my imagination foolin' me somehow
Flying through the lining of a silver cloud
I'm gettin' closer nowI can almost hear you now
Oh, saying you love me like you know how
I wish this plane would just reach down and
Touch the ground, I swear I see you nowI gotta get back, do I do
I gotta get back, do, do I do
I gotta get back, do I do
Butterflies take control me
Why's this airplane go so slowly
Flutter faster take me home to youI gotta get back, do I do
I gotta get back, do, do I do
I gotta get back, do I do
Butterflies take control me
Why's this airplane go so slowly
Flutter faster take me home to youOh baby, ooh
Oh yeah
