

Gravity (California Remix)

Various Artists

why couldn't you have just stayed calm for once, instead of flying off the handle!

I hope you're happy!

I hope you're happy now

I hope you're happy how you

Hurt your cause forever

I hope you think you're clever! I hope you're happy

I hope you're happy, too

I hope you're proud how you

Would grovel in submission

To feed your own ambition So though I can't imagine how

I hope you're happy right now Elphie, listen to me. Just say you're sorry

You can still be with the Wizard

What you've worked and waited for

You can have all you ever wanted I know

But I don't want it

No I can't want it

Anymore Something has changed within me

Something is not the same

I'm through with playing by the rules

Of someone else's game

Too late for second-guessing

Too late to go back to sleep

It's time to trust my instincts

Close my eyes and leap! It's time to try

Defying gravity

I think I'll try

Defying gravity

And you can't pull me down! Can't I make you understand?

You're having delusions of grandeur I'm through accepting limits

'Cause someone says they're so

Some things I cannot change

But till I try, I'll never know!

Too long I've been afraid of

Losing love I guess I've lost

Well, if that's love

It comes at much too high a cost!

I'd sooner buy

Defying gravity

Kiss me goodbye

I'm defying gravity
And you can't pull me down:
Glinda, come with me
Think of what we could do, together
Together we're unlimited
Together we'll be the greatest team

There's ever been Dreams, the way we planned 'em
If we work in tandem: There's no fight we cannot win

Just you and I
Defying gravity
With you and I
Defying gravity
They'll never bring us down!

Well?

Are you coming? I hope you're happy
Now that you're choosing this
I hope it brings you bliss
I really hope you get it
And you don't live to regret it
I hope you're happy in the end
I hope you're happy, my friend:
So if you care to find me

Look to the western sky!
As someone told me lately
"Everyone deserves the chance to fly!"

And if I'm flying solo
At least I'm flying free
To those who'd ground me
Take a message back from me

Tell them how I am
Defying gravity
I'm flying high
Defying gravity

And soon I'll match them in renown!
And nobody in all of Oz
No Wizard that there is or was

Is ever gonna bring me down!
I hope you're happy!
Look at her, she's wicked!
Get her!
Bring me down!
No one mourns the wicked
So we've got to bring her
Ah
Down!
