

# Cosmic Girl

## Jamiroquai

I must have died and gone to Heaven  
'Cos it was a quarter past eleven  
On a Saturday in 1999  
Right across on where I'm standing  
On a dance floor she was landing  
It was clear that she was from another time  
Like some baby Barbarella  
With the stars as her umbrella  
She asked me if I liked to magnetize  
Do I have to go star-trekking  
'Cos it's you I should be checking  
So she laser beamed me with her cosmic eyes  
She's just a cosmic girl  
From another galaxy  
My heart's at zero gravity  
She's from a cosmic world  
Putting me in ecstasy  
Transmitting on my frequency  
She's cosmic  
I'm scanning all my radars  
Well she said she's from a quasar  
Forty thousand million light years away  
It's a distant solar system  
I tried to phone but they don't list 'em  
So I asked her for a number all the same  
She said, step in my transporter  
So I can teleport ya  
All around my heavenly body  
This could be a close encounter  
I should take care not to flounder  
Sends me into hyperspace when I see her pretty face  
She's just a cosmic girl  
From another galaxy  
My heart's at zero gravity  
She's from a cosmic world  
Putting me in ecstasy  
Transmitting on my frequency  
She's cosmic  
Sends me into hyperspace when I see her pretty face

Sends me into hyperspace when I see her pretty face  
Sends me into hyperspace when I see her pretty face  
Sends me into hyperspace when I see her pretty face  
Sends me into hyperspace when I see her pretty face  
Sends me into hyperspace when I see her pretty face  
Sends me into hyperspace when I see her pretty face  
Sends me into hyperspace when I see her pretty face

She's just a cosmic girl

From another galaxy

Transmitting on my frequency

Yeah cosmic, oh

Can't you be my cosmic woman?

I need you, I want you

To be my cosmic girl for the rest of time

Oh, I'm doing my love

Oh, my cosmic girl, yeah

She [Incomprehensible]
