

# The Actress

## Roy Orbison

Well, you should be an actress, you play your part so well  
Your act is so believable that no one else can tell  
You say the lines, but I see that you don't really love me  
You keep me around to be your faithful clown  
Till someone you can love comes along  
You'll keep on pretending because the show must go on  
Yes, you should be an actress, as lovely as you are  
The way you play on emotion, you'll shame the brightest star  
You're acting all the time, no, you're not really mine  
I'm just another scene in your play acting scheme  
No, you don't love me at all  
But when you walk away that's when the curtain will fall  
But I'll go all the way to the end of the play  
I'll be a part of your masquerade  
Although, I know it may be the saddest show  
In the life of a fool on parade
