

# Tell Me It's Not Over (Stuart Price Mix)

[Starsailor](#)

Thought I'd lost you once again  
All that drinking brought some trouble to our name  
Late at night I feel no shame  
All my old world stories take me back again Now the light's out I discover  
She is sleeping with another  
Oh, tell me it's not over What a place to seal your fate  
A deserted car park not even a date  
Please don't tell me it's too late  
If you love someone don't throw it all away Now the light's out I discover  
Just a weekend undercover  
Tell me it's not over Tell me it's not over  
Tell me it's not over Now the light's out I discover  
Just a weekend undercover  
Now the light's out I discover  
She is sleeping with another  
Oh, tell me it's not over
