Miles to Go

Samantha Fish

12 hours to Reno, 10 hours til the next show
12 hours to Reno, 10 hours til the next show
Got mouths to feed, my word to keep
on the run, with miles to go

These wheels are burning, winds watching me blow
These wheels are burning, winds watching me blow
We're making time, chasing the night
on the run, with miles to go

Hope the police don't see me now, gas pedals stuck to the floor
Hope the police don't see me now, gas pedals stuck to the floor
They're on my tail, can't make the bail
I'm on the run, with miles to go

The horizon's staring back at me, I'm gonna get there on my own
The horizon's staring back at me, I'm gonna get there on my own
Got mouths to feed, my word to keep
I'm on the run with miles to go
