

I Can Call On You

Kj-52

Our Father Who art in Heaven
Hallowed be Thy name
Thy Kingdom come
Thy will be done on earth
As it is in Heaven
I can, I can call on You
I know that You'll hear me
I can, I can call on You
I know that You'll answer
You didn't know what to do
Came home from after school
Mom and dad said they were through
Now pretty soon was gonna have to move
Shut the door, went inside his room
Laid on the floor and he cried to You
Said, "Jesus, please help me through
Right now I just feel so confused
Don't know what I'm supposed to do"
But I need to be close to You
Help me with what I'm goin' through
'Cuz I know that You're here when I'm callin' You
Everything's just fallin' through
But ain't nuttin' too hard for You
So please come when I call to You
'Cuz all that I have is all in You
And that's why
I can, I can call on You
I know that You'll hear me
I can, I can call on You
I know that You'll answer
I can, I can call on You
I know that You'll hear me
I can, I can call on You
(I can call on You)
I know that You'll answer
She didn't know what to say
She got the phone call and it was late
It was a hit and run just on the free way
And her son got hurt and was in bad shape

Tears ran down her face
As her mind began to race
Didn't know what to do, what move to make
So she called up to You and began to pray
"Jesus", she began to say, "I need You in a major way
My son might die today, I'm so confused
Please provide a way, please now just give me strength
Please just help me face everything that's about to come my way
In You I trust and put my faith, that's why"

(That's why)

I can, I can call on You
I know that You hear me
I can, I can call on You
I know that You answer
(I know that You'll answer)

I can, I can call on You
(I can call on You)

I know that You hear me
I can, I can call on You
I know that You answer
(I know that You answer)

So what I wanna say tonight
Anything you face in life
When your mind is filled with strife
You can always find strength in Christ
Even times when the money is tight
Even times when nothin' is right
Don't worry 'bout nothin' in life
Call Him and that's my advice
And that's why, that's why, that's why

(That's why)

I need You

(I can call on You)

I can, I can call on You
I know that You hear me
I can, I can call on You
I know that You answer
I know that you answer
I can, I can call on You
I can call on You
I know that You answer
