

# See You In Hell

Voltaire

Rain soaked soul of mine  
It's a gray day year  
From ice cold eyes march  
A parade of tears It's hopeless don't it seem  
When even in my dreams  
You put me through Hell I've tried everything I could  
To make you see the good in me  
I'm just sorry that I failed  
Keep your empty tears And left me this way  
It's so obscene  
You were so mean  
When you meant everything to me I'll see you in Hell  
Just go on this way  
And then some day  
When you awake  
I'll be a thousand miles away  
(And you'll be in Hell  
Least I hope you will) (Somewhere near Hell)
