

# Swamped (studdio Acoustic Version)

## Lacuna Coil

When Your taught through feelings  
When Your taught through feelingsWhen Your taught through feelings  
When Your taught through feelingsDestiny flying high above  
All I know is that you can Realise  
(Realise)Destiny who cares  
(Destiny who cares)as it turns around  
(as it turns around)and I know that it descends down on meIt's just another day  
the shame is gone  
Hard to believe  
That I've let it go  
let it go  
let it goDestiny can't replace my life  
scary shadows of my past are alive  
(are alive)Destiny who cares  
(Destiny who cares)as it turns around  
(as it turns around)and I know that it descends with a smileIt's just another day  
the shame is gone  
It's Hard to believe  
That I let it go away  
It's just a melody  
it bleeds in me  
Hard to believe  
that I let it goWhen Your taught through feelings  
When Your taught through feelingsWhen Your taught through feelings  
When Your taught through feelingsIt's just another day  
the shame is gone  
It's Hard to believe  
That I let it go away  
It's just a melody  
it bleeds in me  
Hard to believe  
that I let it go  
let it go  
let it go
