

# Skeleton Head

## Diarrhea Planet

You've got your friends and I've got my job  
Cuz I can't depend on anyone  
And I'm so worried I won't see any rest  
Cuz I'm so tired from being angry and depressed  
Lost in thoughts about being lost  
And wasting time watching the days fall  
Under my lack of motivation and self-esteem  
It's so hard to care when you don't see anything  
Cuz I spend most of my days alone at home  
Hiding in the dark behind walls of stone  
A Skeleton Head  
And there's too many ghosts locked in these halls  
Invading my dreams so that I can't sleep at all  
Longing for a conversation with a true friend  
I'm stuck talking to myself  
With nothing left to say in the end  
A Skeleton Head
