Burnt out Love

Ex Cops

Nail me to the cross again tonight
Throw me to the dogs, turn out the lights
I don't know if you saw me
Holding out 'til the very end
Still alive but I'm barely breathing
How did I get here again?Driving me into the sea of darkness
For the very last timeBurnt out love, no more love
Burnt out love, no more baby
I'm so sad to inform you
It's burnt out love
Nail me to the cross, look into my eyes
Face down in the dirt another night
Wash away the tears of fire
Even though you know I wanna stay
I don't know where I'm going
Even hell is better than this placeDriving me into the sea of darkness
For the very last timeBurnt out love, no more love
Burnt out love, no more baby
I'm so sad to inform you
It's burnt out loveBurnt out love
There's no more love
No more love
No more love
(repeat)
