

# The Fire

## Noise Factory

Ohh, the fire, the fire  
Ohh, the fire, the fire  
There's something in your heart  
And it's in your eyes  
It's the fire, inside you  
Let it burn  
You don't say good luck  
You say, "Don't give up"  
It's the fire, inside you  
Let it burn  
Yeah, and if I'm ever at the crossroads  
And start feeling mixed signals like Morse code  
My soul start to grow colder than the North Pole  
I try to focus on the hole of where the torch goes  
In the tradition of these legendary sports pros  
As far as I can see, I've made it to the threshold  
Lord knows I've waited for this a lifetime  
And I'm an icon when I let my light shine  
Shine bright as an example of a champion  
Taking the advantage, never copping out or cancelling  
Burn like a chariot, learn how to carry it  
Maverick, always above and beyond average  
Fuel to the flame that I train with and travel with  
Something in my eyes say I'm so close to having the prize  
I realize I'm supposed to reach for the skies  
Never let somebody try to tell you otherwise  
There's something in your heart  
And it's in your eyes  
It's the fire, inside you  
Let it burn  
You don't say good luck  
You say, "Don't give up"  
It's the fire, inside you  
Let it burn  
One love, one game, one desire  
One flame, one bonfire, let it burn higher  
I never show signs of fatigue or turn tired  
'Cause I'm the definition of tragedy turned triumph  
It's David and Goliath, I made it to the eye of the storm

Feeling torn like they fed me to the lions  
Before my time start to wind down like the Mayans  
I show 'em how I got the grind down like a science  
It sounds like a riot on hush, it's so quiet  
The only thing I hear is my heart, I'm inspired  
By the challenge that I find myself standing eye to eye with  
Then move like a wise warrior and not a coward  
You can't escape the history that you was meant to make  
That's why the highest victory is what I'm meant to take  
You came to celebrate, I came to sever great  
I hate losing, I refuse to make the same mistake  
Ohh, the fire, the fire  
Ohh  
There's something in your heart  
(The fire)  
There's something in your heart  
(The fire)  
There's something in your heart  
And it's in your eyes  
It's the fire, inside you  
Let it burn  
You don't say good luck  
You say, "Don't give up"  
It's the fire, inside you  
Let it burn  
Ohh, the fire inside you  
The fire inside you  
The fire inside you  
The fire inside you
