

# I Thank You Lord

Rebecca St. James

By Greg Nelson & Bob Farrell

It's a hurry up world and my days go flying by  
But I don't want to forget to thank you for my life  
And in my blindness you give eyes to see  
That in my struggle you will fight for me  
So from my heart I've got to say[Chorus]  
(I thank you Lord) I thank you Father for the gift of your Son  
(I thank you Lord) I thank you Jesus for the things you have done  
(I thank you Lord) I thank you spirit for the peace that is here in my heart  
Long before I was born, I belonged to  
you alone  
You have always been there, I was never on my own  
And I feel your presence in my darkest hour  
When I am weakest then I know your power  
You are the light that shines in me[Chorus]Nobody cares for me like you  
Cause nobody loves the way you do  
You're faithful and true  
You saw me drowning and you rescued me  
You know I've got to say[Chorus: Repeats]
