

(you're So Square) Baby I Don't Care

[Joni Mitchell](#)

 Youre so square
Baby, youre so square Oh, you dont like greasy diners
 You dont like sleazy bands
 You just want to go to a movie show
 And sit there holding hands Youre so square
Baby I dont care You dont like going to parties
 To toot and talk all night long
 You just want to park where its nice and dark
 And kiss me, sweet and strong Youre so square
Darling I dont care You dont know any dance steps
 That are new
 But nobody else can love me
The way you do I dont know why my heart flips
 I only know it does
 I wonder why I love you baby
 I guess its just because Youre so square
Baby I dont care Oh, I dont know why my heart flips
 I only know it does
 I wonder why, I love you baby
 I guess its just because Youre so square
I dont care Youre so square, youre so square
 Youre so square, youre so square
 Youre so square, youre so square
