

So This Is Love

Disney

So this is love
Mm mmm mm mmm
So this is love
So this is what makes life Devine
I'm all a glow
Mmm mm mmm mmm
And now I know (and now I know)
The key to our heaven is mine

My heart has wings
Mmm mm mmm mmm
And I can fly
I'll touch every star in the sky

So this is the miracle that I've been dreaming of
Mmm mm mmm mmm
Mmmm mm mmmm mm
So this is love
