

Hey Little One

[Glen Campbell](#)

Hey little one
So far from home
And so aloneHey little one
I'm just li-ike you
I'm lonely tooThe road of life is a long long road
When you walk alone
Then I found you
And I found a lo-ove
A love I've never know
A love I've never knowHey
Hey, hey, hey little one
Don't go away
Tell me you'll stay
