

Kooler Than Jesus

My Life with the Thrill Kill Kult

I am the electric Messiah, the AC DC God
I am the electric Messiah, the AC DC God I am the electric Messiah, the AC DC God
I am the electric Messiah, the AC DC God God Come on, come on baby
Come on baby you can do it Kooler than Jesus
Kooler than Jesus
Kooler than Jesus
Kooler than Jesus Kooler than Jesus
Kooler than Jesus
Kooler than Jesus
Kooler than Jesus You know darn well that they're just manipulating you
And that's all that they're doing
All right all right all right everything You know darn well that they're just manipulating you
And that's all that they're doing
All right all right all right everything Kooler than God
