Far Out

Acid Lab

seen seen sala bean that dont mean anything but i can make a man get alot of green and make everybody conseen wit the neen im a menace they wanna put the nina in guinness cuz im in the percentage of killas who finish wit me nigga without no limit they get it cuz im sinister diss it the gimmick when i rip it ill diminish ya ill be like a meteor right im blazing everything in my way so quick they hear my humming but the scientists gotta get motion million dollar machinery for me just to see me coming, I'm far out look at the people with the eye of an eagle
