Girlfriend (remix)

B2k

I got everything I want in my life except a girlfriend
Woo
Ah, B2K [Incomprehensible]
Just copped a Bentley and it's parked in my garage
At 2 o'clock appointment for my massage
And everywhere we go they know just who we are
There they go, it's them ghetto superstars
The latest throwback and them ones on my feet
Get out the Benz and then I'm off up in the jeep
Take your friend with chicks that look like Alicia Keys
All of that I'm still missin' one thing
A girlfriend, girlfriend
I need a girlfriend, girlfriend
A girlfriend, girlfriend
Would you be my girlfriend, girlfriend?
We hit the mall, I buy you Prada, Nike suits
I'm being pebbled while I'm chillin' by the pool
From the show to the limo, to the club
Hands in the air, showin' nothin' but some love
Got plenty clothes, plenty ice, plenty cash
I'm pretty swoll, pretty abs, plenty, shh
I got every single thing that I need
Except for a main squeeze
I need a girlfriend, girlfriend
I need a girlfriend, girlfriend
A girlfriend, girlfriend
Would you be my girlfriend, girlfriend?
Tell me who's gonna be my girlfriend
And who out there needs a real man
And who's gonna ride or die with me
Who's gonna give B2K what they need
I need a number one
I need a thick with big hips, that's just my motivation
No more game preparation, this is pimparation
She must be ready and steady for a romance session
I'm talkin' willin' to learn a Lil' Fizz lesson
Now she plannin' it again and now where arguin'
Talkin' girls, talk mess and tellin' all there friends
But I seen this new chick tonight

And I'mma make her my girlfriend, my girlfriend
I need a girlfriend, girlfriend
I need a girlfriend, girlfriend
A girlfriend, girlfriend
Would you be my girlfriend, girlfriend?
A girlfriend, girlfriend
I need a girlfriend, girlfriend
A girlfriend, girlfriend
Would you be my girlfriend, girlfriend?
Yeah, hey
A girlfriend
Tender, oh
Hey, hey, hey
