On a Train

Eskobar

I'm on a train
watching this fire
just like a plane
it could take us higherwish you were here
with me and this fire
we'd keep you warm
you'd never feel tiredI'm on a train it's insane
I'm on a trainon a train watching these skies
that's where the plane took us highI'm saying
be a man take a stand
show me what you got in your hand
if you wanna be the one
show that girl what you're made of
take it from the start til end
but you just don't know where to stand
if you want to come aboardI'll be on a train it's insane
and the wind sand grains
and all entertainment fails
I'm on a train
